Memo

TO: Subdivision and Development Appeal Board
FROM: Andrew Brysiuk, Clerk
DATE: March 24, 2020
SUBJECT: RE: Adjournment Request

As a result of the COVID-19 pandemic, the County of Stettler has closed its doors to public access, and has cancelled, rescheduled, or change the medium for all meetings within the next two weeks.

In consultation with Chairman Teal, we have arranged for the preliminary matters to be discussed by conference call, which primarily focus around scheduling the merit hearing.

It is currently unknown at what point the County of Stettler office will reopen to the public, so I am asking the board consider a 4 week adjournment to allow staff to consider and test methods for hosting a merit hearing electronically.

I have discussed the proposed adjournment with the appellant and Development Authority, and neither have objected.

Thank you

Andrew Brysiuk
